

7 October 2016

**HSS Hire Group plc**

**Site visit**

HSS Hire Group plc (“HSS” or “the Group”), a leading provider of tool and equipment hire and related services in the UK and Ireland, is hosting a site visit for analysts and investors today at its National Distribution and Engineering Centre (“NDEC”), located in Cowley near Oxford.

The event will focus on the work HSS is undertaking to rollout and implement operational innovation across its business, and will include presentations from management and a tour of the NDEC. All materials presented today will be available on [www.hsshiregroup.com/news-resources/news-announcements/](http://www.hsshiregroup.com/news-resources/news-announcements/) after the event.

No new material information will be provided.
